

# Memphis – Jesus Christ

Around myself they know I'm just a fool,  
Those reason times fallout and burned with you  
The clean nice guy or just the businessman  
The filthy use they did about your tears and cries

So Jesus Christ wait me in hell, all those gospels about yourself  
So Jesus Christ wait me in hell and on that moment ill found myself

Couse in this nation  
full of (true) desperation  
In which god has lost his creation  
for not paying attention  
Oh lord ohhh lord  
Look up to me, Look up to me  
Oh look up to me, look up to me  
Couse this morning,  
could be  
Our last one

Oh Jesus Christ x3  
Oh Jesus Christ x3  
Oh Jesus Christ x3  
WAIT ME IN HELL, JESUS CHRIST

Evil you have to believe it, to find a reason to forgive it  
Evil you have to believe it, to find a reason to forgive it

Couse in this nation  
full of (true) desperation  
In which god has lost his creation  
for not paying attention  
Oh lord ohhh lord  
Look up to me, Look up to me  
Oh look up to me, look up to me

**Couse this morning,  
Could be  
Our last one**

**Oh Jesus Christ x3  
Oh Jesus Christ x3  
Oh Jesus Christ x3  
WAIT ME IN HELL, JESUS CHRIST**

**Evil you have to believe it, to find a reason to forgive it  
Evil you have to believe it, to find a reason to forgive it**

**Ay señor x3  
Ay señor x3  
Ay señor x3  
No hay señor x3 I´m the Devil  
I´m the only one  
You are the sunshine.  
the bringer of the light**
